**CHAMPAIGN COUNTY CHAMBER WELCOMES AUTUMN LEAVES MEMORY CARE TO VILLAGE OF SAVOY AT GRAND REOPENING CELEBRATION**

*Savoy Healthcare Community Gathers for Ribbon-Cutting Ceremony and Grand Reopening*

GRAPEVINE (Texas) – October 12, 2021 – Autumn Leaves®, a nationwide leader in standalone residential memory care, officially welcomed Autumn Leaves of Savoy to their family of memory care residences at their Ribbon Cutting Ceremony and Grand Reopening celebration, attended by the Champaign County Chamber of Commerce and other regional healthcare professionals and prospective resident families.

The event offered the public an opportunity to preview the first newly remodeled memory care cottage which features an open concept living and kitchen area where residents gather for activities and meals in a home-like setting. Two additional cottages, which can accommodate up to 14 residents each, complete the community plan. The smaller design allows for a more individualized approach to care from other typically large-scale assisted living residences. “The cottages are a wonderful complement to the award-winning Inspired Connections™ programming and individualized care for which Autumn Leaves is known. This unique footprint encourages more socialization and allows for a better staff to resident ratio,” says Jessica Akaah, COO of Autumn Leaves, who brings fresh leadership to the Savoy community where they assumed management responsibilities from Willowbrook of Savoy in May of this year. “We look forward to serving the residents of Savoy for many years to come. We are excited for the opportunity to bring our 20+ years of memory care expertise to Central Illinois.”
